ORDER:-

In the letter read above, the Chief Engineer, Minor Irrigation (T), Hyderabad, has submitted an estimate for the work “Improvements to Anicut near Baswapuram (V), Thallada (M) in Sathupally Constituency of Khammam District” for Rs. 110.00 lakh stating that the above anicut was constructed across local stream. Further, he has stated that, the localized ayacut under this tank is 450 acres. The anicut had a 34.80 m length of body wall. This was constructed with CRS masonry. The 1<sup>st</sup> and 2<sup>nd</sup> aprons of the weir are damaged. The irrigation channel mostly runs in expansive soils. Due to heavy rainfall, the canal banks are collapsed and deposited silt in the canal bed. Due to this the tail end ayacutdars are not getting water properly every year and hence they are losing their crop yield every year. There is no other source to irrigate their fields. The estimate is prepared with SSR 2013-14. Hence, he has requested to accord administrative approval for Rs.110.00 lakh for the subject work under Normal State Plan.

2. Government, after careful examination of the matter hereby accord administrative approval for Rs.93.31 lakh (Rupees ninety three lakh and thirty one thousand only) for the work “Improvements to Anicut near Baswapuram (V), Thallada (M) in Sathupally Constituency of Khammam District”.

3. The expenditure sanctioned at para (2) above, shall be debited to the head of account “4702 COL on M.I – MH 101 –Surface Water - GH (11) Normal State Plan – SH (21) - Restoration of MI Tanks – 530 Major Works - 531 other expenditure”.

4. The Chief Engineer, Minor Irrigation (T), Hyderabad, shall take further necessary action accordingly to complete the work within a stipulated period without fail and furnish utilization certificate to the Government.

5. This order issues with the concurrence of Finance (Exp. PW-I) Department vide their U.O.no.2944/89/Exp.PW –I /14, dated 11.02.2014
